2017 Youth Leadership Summit

July 12-16 • Virginia Beach, VA

Are you a young professional eager to gain volunteer experience, network with international affairs experts, and learn about citizen diplomacy?

Be a chaperone at our 2017 Youth Leadership Summit.

The Youth Leadership Summit is a special track of sessions and activities for high school youth from across the country. The 2017 Summit will include a service learning project and Model UN simulation that will engage participants on important global issues facing governments and people from around the globe.

The Summit will also include opportunities for participants to interact with foreign diplomats, government officials, and mayors from the U.S. and abroad to discuss global diplomacy and current events. As a Youth chaperone, you will be responsible for helping Sister Cities International staff during Youth Leadership Summit sessions, speaker events, off-site visits, and other activities.

Youth Chaperone Responsibilities

You will be required to stay overnight with the youth in the residence halls (in separate rooms) at Virginia Wesleyan College during the Summit.

You will also be responsible for assisting Summit students, specifically during break-out sessions during a Model UN simulation, and will be instrumental in moderating small group discussions.
