

HOW TO REQUEST A MAYORAL PROCLAMATION FOR SISTER CITIES INTERNATIONAL DAY, JULY 15, 2016

Thanks for being a part of Sister Cities International!

Sister Cities International serves as a hub for institutional knowledge and best practices in the field of citizen diplomacy. The mission of Sister Cities International is just as important today as it was when it was founded. With the advent of the internet and new technologies, the world is becoming smaller, and the relationships and interactions between the U.S. and its international counterparts are more complex than ever. The partnerships built through 60 years of Sister Cities International are just as important today as they were 60 years ago when the organization was launched by President Eisenhower.

In 2016 Sister Cities International is celebrating 60 years of global citizen and civic diplomatic action, and helping support a future where the world's cities, communities and its citizens can come together in common ground. In order to capitalize on the moment, **we are encouraging everyone in our network to be part of this global celebration by reaching out to your Mayor's office in order to help create a Sister Cities International day for July 15, 2016.** Sister Cities International Day is a fitting occasion to commemorate the significant impact that YOU and the organization has made in building bridges across nations, cities and communities around the globe in order to create and sustain world peace, we want your city to be a part of it!

This toolkit will provide you with all the resources you may need to have your Mayor proclaim Sister Cities International.

What is a Mayoral Proclamation?

Proclamations are typically issued by a Mayor to recognize the importance of a community event, significant achievements by community members, or to signal a City's role in significant national events.

Proclamations may be read at a City Council meeting, or at a community event being recognized, depending entirely on the schedule of the Mayor. Proclamations are often posted on the City's website. Original signed proclamations will be provided to the requesting party (sometimes must be received in person at City offices).

Why request a Mayoral Proclamation in your City?

- Opportunity to meet/greet/photo with your Mayor and/or other city representation
- Become a Sister Cities International Ambassador for your city and help establish international partnerships
- Help your city celebrate philanthropy, volunteerism and community service

- Get your city government more involved in local causes

In this toolkit, you will find:

- Steps to request a Mayoral Proclamation
- Sample outreach email/letter
- Sample Mayoral Proclamation for Sister Cities International
- Sample Press Release

STEPS TO REQUEST A PROCLAMATION

Visit your local government’s website.

Some City and State websites will have a section on “How to request a Mayoral Proclamation.” Some will even have an online Mayoral Proclamation Request section on their website. If they do not have an online request section, send an email request to your Mayor; most Mayors will have their contact information, including their email address on the City’s official web page.

You can use the sample outreach email in this toolkit.

Plan ahead.

Proclamations requested at least **two months in advance** have the best chance of being completed and provided to the requestor by a specific date. Make sure to reach out well in advance.

Provide a draft.

If the response is positive from your Mayor’s office, they may request you to send a draft of a sample proclamation.

We’ve included a sample draft proclamation in this email for you to edit and send.

Celebrate your city.

Your local government office may invite you to attend a meeting to accept the proclamation on behalf of Sister Cities International. This is a great press opportunity and way to bring your community together to celebrate generosity. Plan a community event and invite other Sister City partners and local members of the press to take part as well.

Share your proclamation.

Share your press release, photos, videos, and other moments from receiving your proclamation with the Sister Cities International community by tweeting @SisterCitiesInt, using the #SisterCities hashtag, tagging @SisterCitiesInt in an Instagram picture or posting to our Facebook Sister Cities International page. Check out our website at www.sistercities.org.

The Sister Cities Team can also promote your civic leadership on our social media if you email us your photos, announcements, and copy of your proclamation at communications@sistercities.org.

Dear _____,

This year, on July 15, 2016, we are part of a global call to action that will change the calendar and help make history. We are celebrating a day dedicated to “Peace through People” – when citizens, families, businesses, community centers, students, politicians and more will all come together to celebrate the 60th anniversary of Sister Cities International. Sister Cities International was founded as a Presidential initiative by President Dwight D. Local mayors and cities around the country, including ours, have been part of the sister city fabric for decades. In this time we have been instrumental in helping to build bridges between global communities we have helped create of thousands of educational, economic, cultural, municipal and humanitarian assistance exchange programs.

Sister Cities International currently has over 570 member cities, counties and states with relationships with over 2,300 communities in 150 countries, spanning 6 continents.
