#### “Big Mountains” Rocky Mountain National Park Tour August 5, 9am-6pm

Today we'll experience the diversity of Colorado as we travel from Denver to **Rocky Mountain National Park**, one of the most accessible National Parks in the Mountain West. Home to numerous big-game animals including elk, big-horn sheep and moose, as well as magnificent glaciers and Trail Ridge Road, the highest continuous paved highway in the United States, Rocky Mountain National Park is one of Colorado's most beautiful places to spend a day. We'll visit the **Alpine Visitor Center**, perched at an elevation of 11,796 feet, and make a number of photo stops along the way.

After enjoying this picture-perfect scenery and a picnic lunch, we'll head down to the mountain town of **Estes Park**.

This town has played host to people from around the world and has become one of Colorado's premier vacation resorts in the process. We'll pass by the **Stanley Hotel**, built by the co-inventor of the Stanley Steamer and the inspiration for the haunted hotel in Stephen King's novel (and

the Jack Nicholson film) **“The Shining”**, the Stanley Hotel is one of Colorado's most popular and exciting places to visit. We will enjoy a little shopping time in this lovely village. Finally, our motor coach will depart for the foothills and high plains along Colorado's Front Range, where our expert tour guide will continue to direct our attention to the many points of interest we will see as we return to Denver.
