Dear Adam:

Re: **Letter of support for Councilman Alix Desulme**

As The Bahamas and Caribbean Representative of Sister Cities International, it is my immense pleasure to recommend Councilman Alix Desulme for the 2018-2021 Sister Cities International Board of Directors. I have known Councilman Desulme for several years and I am confident that he will be a great choice for this prestigious position.

Most recently, we have worked together to strengthen existing sister city relationships throughout Haiti, and to create new relationships. North Miami's sister city relationship with Archaie, Haiti is a great example of the possibilities of sister cities, and Alix is intricately involved in this relationship.

Councilman Desulme demonstrates high integrity, continuous dedication, and community involvement. He is to be applauded for his outstanding work and passion for the community as a councilmember of the City of North Miami. He has initiated programs and introduced legislation that have been unanimously passed and approved by the North Miami City Council. He has also implemented the Let's Eat Healthy Initiative in his district providing fresh and healthy groceries to citizens.

It certainly makes Councilman Desulme qualified to be on the Sister Cities Board of Directors, as he is very passionate about the program. I am very proud to recommend him to the Board of Directors.

Yours sincerely,

Ginger M. Moxey
