Cities Seeking Cities

For an annual fee of \$250, a global city in the Cities Seeking Cities program will be listed on the Cities Seeking Cities list, including the posting of basic information on Sister Cities International's website for one year. Additionally, when U.S. cities request new partnerships, the Cities Seeking Cities list will be provided to them with global city information. Please note that registration for non-U.S. Cities Seeking Cities services is limited to cities with a population under 50,000. Cities with populations larger than 50,000 must register as a global member to receive services.

To learn more and to register for the Cities Seeking Cities program, please email partnerships@sistercities.org.
