"After the conference I concluded that U.S. diplomacy could potentially be a career I would like to do in the future."

Foster the next generation of citizen diplomats and leaders!

The Youth Leadership Summit engages students ages 14 - 18 through specialized simulations, site visits, speaker sessions, and peer interactions to empower them to think globally about critical issues.

By interacting with other peers from around the world, students at the summit become a new generation of volunteers who are instrumental in promoting peace, mutual respect, and understanding among communities locally and worldwide.
