Our Mission:

To promote peace through mutual respect, understanding, and cooperation — one individual, one community at a time.

Sister Cities International (SCI)

is the oldest and largest volunteer network of citizen diplomats in the world.

Our mission reflects our belief in the power of personal connections. Since our inception in 1956, Sister Cities International has worked to create global relationships based on cultural, educational, information and trade exchanges. As a result, participants developed lifelong friendships that provide prosperity and peace through person-to-person “citizen diplomacy.”

Today, we continue to expand our reach and strengthen existing relationships. Our members boast exchanges in arts and culture, business and trade, youth and education, and community development that not only bring them friendship, but help them to tackle the world’s most pressing issues at the local level.

Supported by nearly 500 member cities with 1,800 partnerships in 138 countries, including 32,000 volunteers, 15,000 students, and 24,000 citizen diplomats, this worldwide network of people create exchanges that foster world peace, support national security, and strengthen the economy.

GLOBAL LEADERS CIRCLE:

Focusing attention on a more peaceful world

You now have the opportunity to invest in this worldwide movement and help us do even more. Join the Global Leaders Circle today. The Global Leaders Circle is a network of influencers and individuals who share our goal of creating a more peaceful and prosperous world through diplomacy.

Your generous gift to Sister Cities International supports our work to promote peace through mutual respect, understanding, and cooperation — one individual, one community at a time, and gives you the opportunity to align with a powerful, thriving global, regional, and local network of those most committed to our mission.
