**City Connection Marketplace**

For an annual fee of \$250, a global city in the City Connection Marketplace will be listed in our database, including the posting of basic information on Sister Cities International's website for one year. Additionally, when U.S. cities request new partnerships, the City Connection Marketplace database will be provided to them with global city information. Please note that registration for non-U.S. City Connection Marketplace services are limited to cities with a population under 50,000. Cities with populations larger than 50,000 must register as a global member to receive services.

To learn more and to register for the City Connection Marketplace, please email [partnerships@sistercities.org](mailto:partnerships@sistercities.org).
