TACOMA

MASON MIDDLE SCHOOL

MEEKER MIDDLE SCHOOL

DESCRIPTION OF THE PROJECT

- Project aimed at students from twelve to fourteen years old in basic-intermediate level of English.
- Provide students the opportunity to speak with a native speaker.
- Make an approach to the Mexican and American culture, and the opportunity to create friendships among our students.

LEARNING A SECOND LANGUAGE THROUGH:

- Writing texts
- Presentation of traditions and customs
- Holidays
- Reinforcement of the second language
- Use of the language in daily life situations
- Unblocking learning barriers making the process easier and fun.
- Use of TIC's in language learning process

SCHEDULE OF ACTIVITIES 2020-2021

VIDEO : PERSONAL INFORMATION

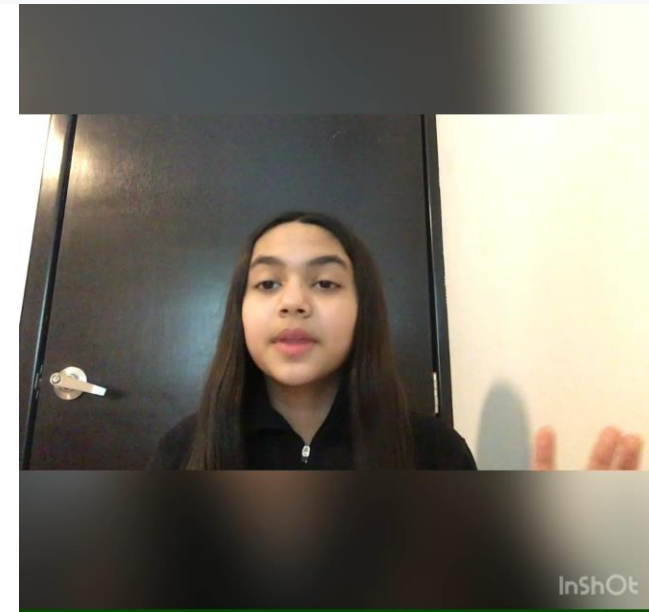

Simple greetings

Talking about a trip or vacation

Expressing mood

Telling how are they doing in a positive way

Talking about their likes and dislikes and hobbies

CHRISTMAS IN TIMES OF COVID

Students produced a video presenting the highlights of their Christmas in this extraordinary situation.

PECHA KUCHA METHOD

- PechaKucha is a presentation format used especially in creative fields in which a work is presented in a simple way using 20 slides that are shown for 20 seconds each. The advance of the slides is automatic and the presenter must elaborate his speech on a sequence that he cannot control directly.

Expected Results:

- Increase of self-confidence
- Better abilities of improvisation
- Improvement of pronunciation and fluency
- Acquisition of new phrases
- Improved speech abilities

**GREATFUL FOR THIS AMAZING EXPERIENCE
AND LOOKING FORWARD FOR MORE**
