

## Celebrate and Dance

by Emilio Alberto Sanguinetti

Darkness advances,  
darkness comes forward,  
the virus struggles,  
but we, we stand together,  
united as never before  
and fight for our freedom,  
at any cost and forever.  
Let's resist until the day when  
we can hug each other and celebrate in a dance.  
Let's resist until the day we can hug each other  
and celebrate in a dance
