*F*ight we do against an enemy

*I*nvisible to the human eye

*G*uarding ourselves with masks and more, staying

*H*ome, working online, trying to stay safe, and

*T*ogether as a community we will win this war against the microscopic being.

*We* will fight this virus as one global community

*I*nvincible we become when we are working together

*T*oday we may be weak but tomorrow we will be stronger than ever

*H*umanity can win if only we remember:

*H*ope is the vaccine, the cure, the coming together, and is the glowing light in the

*O*bscuring darkness and immense sadness by the loss caused by a global

*P*andemic known as the COVID-19 pandemic by

*E*veryone everywhere on a little blue planet, where people share their hope!
