Re: Judge Littlejohn Support for the 2022 SCI Board of Directors

Dear Dr. Robertson Lopez,

This letter is written on behalf of Judge Bill C. Littlejohn (Ret) who is applying to serve as a member of the board of directors for Sister Cities International (SCI). I have known Judge Littlejohn since 2019 when I coordinated the 2019 Africa Summit as part of our Annual Conference in Houston, Texas.

Before moving to Houston, he was active and a founding member and Chair of the Dayton, OH-Monrovia, Liberia Sister Cities. Since moving to Texas, he has also become active in the Houston Sister Cities and is also a founding member of the Houston-Monrovia Sister Cities. His involvement with Monrovia extends to also serving as a cultural ambassador for the Republic of Liberia during its Year of Return.

Although he has traveled widely in the African Continent, he also has worldwide travel experience which makes him qualified to serve on the board of directors.

As a trained attorney, I also believe he will be an added asset in the areas of governance and board development. It is with these qualifications that I support his candidacy for the 2022 class of the board of directors for Sister Cities International.

Sincerely,

Lorna K. Johnson
