Sister Cities International

I would like to recommend Jessica Coffield for the Board of Sister Cities International. I've known her through her service to our community with Asheville Sister Cities and the Junior League of Asheville for the past six years. Her dedication and experience would be a valuable asset.

She has participated in and planned or coordinated multiple events related to receiving and sending delegations for Asheville Sister Cities. Her leadership within the organization has helped to revitalize city relationships and attract new members.

I am confident that Jessica would prove a positive addition to the SCI Board of Directors.

Thank you,

Esther Manheimer  
Mayor, City of Asheville
