

## Sun City and Pilanesberg Full Day Tour

### Short Description

Depart Johannesburg in the early morning and transfer to the Pilanesberg Game Reserve. Enjoy a closed vehicle game drive. Continue to Sun City in the afternoon to explore the resort for the remainder of the day at leisure.

### Long description

Adjacent to Sun City is the beautiful Pilanesberg Game Reserve - one of South Africa's largest parks. The park covers an area of 55 000 hectares and its plains are rich and fertile as they were once part of a now extinct volcanic crater.

Majestic hills encircle the park. The centrally-located dam is ideal for game viewing. The park is found in the transition zone of the Kalahari and the Lowveld. Pilanesberg Game Reserve is home to the 'Big 5' and other large game including giraffe, hippo, zebra and crocodile, as well as a myriad of birdlife (over 300 species have been recorded). A visit to the park is always rewarding! There are a number of hides and picnic spots to stop and stretch your legs.

Spend the afternoon at leisure at the Sun City Resort. The tour will arrive back in Johannesburg at ±18h00.
