Dear Fellow Citizen Diplomats,

2022 was a busy and successful year for Sister Cities International!

As we do every year, SCI held a series of meetings and summits for our members and interested citizen diplomats to develop new relationships and discover new opportunities.

Many of our events were both in-person and virtual.

Our Youth Leadership Summit was held virtually in August, with student participants from around the world. Leading up to the summit, we held monthly Youth Chats that connected influential youth on topics ranging from the climate crisis to youth leadership. The virtual programming option gave the opportunity for next-generation leaders to participate and engage with each other without the prohibitive cost of travel.

Getting together and sharing our passion for citizen diplomacy and practices is central to our members and we created two unforgettable global events. In October of 2022, we held our third U.S. - Mexico Mayors' Community Summit in San Diego, California and Tijuana, Mexico. The three-day binational summit brought local government officials, community leaders, and citizen diplomats together to highlight community accomplishments, build upon shared interests and culture, and foster meaningful discussions about the U.S. - Mexico relations. We also witnessed a new sister city signing between my hometown of El Paso, Texas and Parras, Coahuila.

Our first ever Africa Sister Cities Summit in February of 2023 showcased our Africa region and highlighted the need for additional Sister City partnerships between the United States and Africa cities across the continent. Over four hundred individuals, including political leaders, participated in the summit. We took the time in Africa to launch our new initiative of “500 in 5”. We are looking forward to creating 500 new U.S. - Africa Sister Cities relationships in the next 5 years.

As the year continues, we will continue to place emphasis on producing innovative programs and expanding our member resources. Thanks to all of you for your continued support, dedication and financial commitment to Sister Cities International. We look forward to 2023 and 2024 with hope and excitement.

We have expanded our global reach through virtual programming over the past years which has extended SCI's reach internationally, engaging dignitaries, youth, and citizen diplomats from around the world. We look forward to harnessing new opportunities, as well as in person moments for our historic citizen diplomacy movement.

Sincerely,

Peter Svarzbein

Chairman of the Board of Directors

Dear Friends,

Since our founding in 1956 by President Dwight Eisenhower, Sister Cities International has worked to promote people-to-people movements around the world through cultural, educational, and economic exchanges. Our global network is made up of over 1,800 partnerships located in 138 countries. By shaping and strengthening partnerships between the U.S. and international

communities, SCI impacts the global landscape by promoting peace through mutual respect, understanding, and cooperation - one individual, one community at a time.

This year, the SCI staff and volunteer leadership teams focused on creating updated and accessible member toolkits and resources. These toolkits are a detailed “how to” of citizen diplomacy and a comprehensive resource to provide members with thorough directions for exchanges between Sister Cities that strengthen ties between communities. They include advice on how to create sister city partnerships, best practices, marketing and fundraising ideas, sample documents and templates, and more. We also hosted members-only workshops that provided a thorough introduction on how to access and use the toolkits to benefit members’ sister city programs.

The implementation of this year’s SCI Country and Region Roundtables have become a core member benefit. Led by SCI’s Country and Region Representatives, the Roundtables are dialogue-based and collaborative discussions. They offer the opportunity to highlight and connect our members with country-specific resources, contacts, and best practices.

Our efforts to expand our member network included “boots on the ground” calls, which gave interested cities the opportunity to meet with a member of our staff and at least one state representative to learn more about membership benefits and how to create a strong sister city program. This Membership Directory will be an important tool for our programs, cities, the Department of State, and other stakeholders.

The entire team at SCI is dedicated to advancing President Eisenhower’s people-to-people movements. We celebrate the success of our members, whether it be forming a new sister city partnership or implementing cultural exchange programs. Your support of SCI helps to create and maintain the robust sister city relationships that are the heart and soul of the organization.

Sincerely,

Ricki Garrett, PhD
President and CEO

Sister Cities International is governed by a 24-member Board of Directors. Twenty-one members who represent the general voting members of SCI are elected by the membership at the Annual Business Meeting; One Director position is filled by the Chair of the Board; One Director position is filled by a qualified State Representative, nominated by the Chair and approved by the Board of Directors; and one Director position is filled by a Young Professional Representative, between the ages of 21 and 34, that is elected by the membership. Board members serve three-year terms. The Chair of the Board, Young Professional Representative and State Representative each serve two-year terms. Board of Directors terms are staggered. The Board elects the secretary and treasurer of the Board, who each serve one-year terms and the vice-chair, who serves a two-year term.
