Dear Board of Directors,
Sister Cities International:

I am writing to wholeheartedly endorse Sequanna Taylor for a position on the Board of Directors for Sister Cities International. As the Alderman for the City of Milwaukee 15th District, and someone deeply involved in community initiatives such as Sister City International and the JrNBA program Hoops Without Borders, I have had the privilege of working alongside Sequanna and witnessing firsthand her dedication, leadership, and unwavering commitment to service.

Sequanna currently serves as the Milwaukee County Supervisor for the 11th District, where she has consistently demonstrated her passion for advocating for our community's needs and championing initiatives that foster positive change. Her role as a core administrator for the JrNBA program Hoops Without Borders further exemplifies her dedication to youth development and community engagement.

One of Sequanna's most admirable qualities is her genuine belief in the power of community and family. She approaches every endeavor with a deep sense of responsibility and empathy, always striving to uplift those around her and create opportunities for growth and collaboration.

In addition to her strong advocacy and leadership skills, Sequanna is exceptionally organized and adept at working within a team. Her ability to effectively communicate, problem-solve, and inspire others makes her a valuable asset to any organization or board.

I have full confidence that Sequanna Taylor possesses the qualities and skills necessary to excel as a member of the Board of Directors for Sister Cities International. Her passion for community advocacy, leadership abilities, and dedication to fostering positive change make her an ideal candidate for this role.

Thank you for considering Sequanna Taylor for this esteemed position. Should you require any further information or have any questions, please do not hesitate to contact me.
