Dear Members of Sister Cities International,

I extend my warmest greetings to each of you as I reflect on the journey that has led me to serve as the first Latino Chairman of the Sister Cities International (SCI) Board of Directors. This journey winds through the tapestry of my heritage, shaped by the experiences of my immigrant parents choosing to raise me and our family on the US-Mexico border in El Paso, and the resilience of my grandmother, who survived the horrors of the Holocaust and the responsibility of having served on El Paso's City Council as Mayor Pro Tempore. Today, standing before you, I am deeply humbled by the opportunity to serve in this capacity and to champion the cause of fostering global connections and understanding through the oldest and largest citizen diplomacy organization.

Sister Cities International embodies the essence of bridging cultures and building friendships and cooperation across borders, both near and far. To me, it signifies a beacon of hope and unity in a world often divided by differences. It serves as a powerful reminder that despite our varied backgrounds and experiences, we are all interconnected members of the human family, bound together by our shared humanity.

As the first Latino Chairman, I am keenly aware of the importance of representation and inclusivity in leadership roles. My heritage has instilled in me a profound appreciation for diversity and the richness it brings to our communities. The commitment to ensuring that SCI remains a welcoming and inclusive space for all, regardless of race, ethnicity, or background, is something to be proud of and to continue to pursue. I am proud that during my time as chairman, we executed the 3rd SCI US-Mexico Mayors' Summit, as well as the first ever SCI Africa Summit and SCI All Americas Summit.

Moreover, Sister Cities International holds immense significance in today's world, where the forces of division and discord seem to grow stronger by the day. In a time marked by political polarization and global challenges, SCI stands as a platform for dialogue, cooperation, and mutual understanding. Through our sister city partnerships, we have the opportunity to break down barriers, challenge stereotypes, and forge lasting connections that transcend borders and boundaries.

In closing, I am filled with gratitude for the trust and confidence you have placed in me to lead SCI forward. Together, let us continue to work tirelessly to promote peace, understanding, and prosperity through the bonds of friendship and humanity that unite us all.

Warmly,

Peter Svarzbein
Chairman, Sister Cities International

Dear Friends,

Since our founding in 1956 by President Dwight Eisenhower, Sister Cities International has worked to promote people-to-people partnerships around the world through cultural, educational, and economic exchanges. Our global network is made up of over 1,800 partnerships located in 350 U.S. cities and 138 countries. By shaping and strengthening partnerships between the U.S. and international communities, SCI impacts the global landscape by promoting peace through mutual respect, understanding and cooperation—one individual, one community at a time.

This year, the SCI staff and volunteer leadership have focused on enhancing the branding and marketing of Sister Cities International, on building relationships and partnerships with other internationally focused organizations and the diplomatic community and on growing membership and enhancing revenue.

Our membership has grown over twenty percent since the fall, including both new members as well as former members. This effort has included providing increased benefits, such as Boots on the Ground calls with cities, the SCI Toolkits, membership packets, and visits to Sister Cities Programs around the country.

Sister Cities International has increased its outreach with both in-person and virtual events. Three leadership meetings a year provide training to both the leadership teams and to local leaders who want to increase their knowledge and Sister Cities connections. The All-Americas Summit in San Antonio will bring together diplomats, municipal officials, businesspeople, and volunteers from the thirty-five countries of the Americas. A Japan Summit will follow in September of 2025, and will be held in conjunction with the World Expo in Osaka.

The SCI Country and Region Roundtables have become a core member benefit, offering dialogue-based and collaborative discussions. They provide the opportunity to highlight and connect our members with country-specific resources, contacts, and best practices.

The entire team at SCI is dedicated to advancing President Eisenhower's people-to-people diplomacy. We celebrate the work of the SCI leadership team, including the Board of Directors, State Representatives, and Country and Region Representatives. More importantly, we celebrate the thousands of volunteers throughout our country who, for almost seventy years, have been building peace through partnerships with our friends throughout the world.

Sincerely,

Ricki Garrett, PhD
President and CEO

Sister Cities International is governed by a Board of Directors. Twenty-seven members who represent the general voting members of SCI are elected by the membership at the Annual Business Meeting. One Director position is filled by the Chair of the Board; One Director position is filled by a qualified State Representative, nominated by the Chair and approved by the Board of Directors; and one Director position is filled by a Young Professional Representative, between the ages of 21 and 34, who is elected by the membership. Board members serve three-year terms. The Chair of the Board, Young Professional Representative and State Representative each serve two-year terms. Board of Directors terms are staggered. The Board elects the secretary and treasurer of the Board, who each serve one-year terms and the vice-chair, who serves a two-year term.
