Dear Members of Sister Cities International,

I remember when I was 15 years old and received a brochure from my local Sister Cities program about youth program here in Fort Worth, Texas. I signed up, met new friends from all over the world, and unlocked a passion for global affairs I never knew existed.

Fast forward three decades later, we are entering an era of unprecedented opportunity and excitement for Sister Cities International.

The BIG news is that we've been selected for a prestigious grant to recruit Youth Ambassadors (ages 19-27) to live and work in Japan at the 2025 Osaka World Expo for three to six months. This will be a life-changing opportunity for our young leaders, and yes, we will give precedence to applicants from our dues-paying Sister City member communities.

Our "500 in 5" initiative in Africa is producing new sister city partnerships and our "7 for 70" initiative with the U.S. Department of State has been lauded by the highest levels of government, creating new partnerships with Pacific Island nations in Oceania.

We also have two incredible summits in the works. The 2025 U.S.-Japan Sister Cities Summit will be held in the Osaka area from September 16-19, 2025, and feature high-level speakers, enriching cultural experiences, and a full day at the Osaka World Expo. And our recently announced U.S.-Africa Sister Cities Summit, scheduled for October 2026, will bring us back to Ghana for star-studded programming and unforgettable experiences.

We have much to look forward to in the next two years.

But at the end of the day, we remember our primary mission – serving our members. Whether it's program ideas, global connections, or access to funding, don't hesitate to contact our national office. We are your biggest champions and cheerleaders.

I cannot wait to see how far we'll go in the next two years and beyond.

Warmly,

Carlo Capua
Chair, Sister Cities International

Dear Friends,

Since our founding in 1956 by President Dwight Eisenhower, Sister Cities International has worked to promote people-to-people partnerships around the world through cultural, educational, and economic exchanges. Our global network is made up of over 1,800 partnerships located in 350 U.S. cities and 138 countries. By shaping and strengthening partnerships between the U.S. and international communities, SCI impacts the global landscape by promoting peace through mutual respect, understanding and cooperation—one individual, one community at a time.

This year, the SCI staff and volunteer leadership have focused on enhancing the branding and marketing of Sister Cities International, on building relationships and partnerships with other internationally focused organizations and the diplomatic community and on growing membership and enhancing revenue.

Our membership has grown over twenty percent since the fall, including both new members as well as former members. This effort has included providing increased benefits, such as Boots on the Ground calls with cities, the SCI Toolkits, membership packets, and visits to Sister Cities Programs around the country.

Sister Cities International has increased its outreach with both in-person and virtual events. Three leadership meetings a year provide training to both the leadership teams and to local leaders who want to increase their knowledge and Sister Cities connections. The All-Americas Summit in San Antonio will bring together diplomats, municipal officials, businesspeople, and volunteers from the thirty-five countries of the Americas. A Japan Summit will follow in September of 2025, and will be held in conjunction with the World Expo in Osaka.

The SCI Country and Region Roundtables have become a core member benefit, offering dialogue-based and collaborative discussions. They provide the opportunity to highlight and connect our members with country-specific resources, contacts, and best practices.

The entire team at SCI is dedicated to advancing President Eisenhower's people-to-people diplomacy. We celebrate the work of the SCI leadership team, including the Board of Directors, State Representatives, and Country and Region Representatives. More importantly, we celebrate the thousands of volunteers throughout our country who, for almost seventy years, have been building peace through partnerships with our friends throughout the world.

Sincerely,

Ricki Garrett, PhD
President and CEO

and sister city local chapters that work every day to forge international partnerships and promote citizen diplomacy.

Sister Cities International is governed by a Board of Directors. Twenty-seven members who represent the general voting members of SCI are elected by the membership at the Annual Business Meeting. One Director position is filled by the Chair of the Board; One Director position is filled by a qualified State Representative, nominated by the Chair and approved by the Board of Directors; and one Director position is filled by a Young Professional Representative, between the ages of 21 and 34, who is elected by the membership. Board members serve three-year terms. The Chair of the Board, Young Professional Representative and State Representative each serve two-year terms. Board of Directors terms are staggered. The Board elects the secretary and treasurer of the Board, who each serve one-year terms and the vice-chair, who serves a two-year term.
