

Sister Cities International Board of Directors

Dear Members of the Selection Committee,

I am writing to offer my strong recommendation for Pamela (Pam) Huff, President of Cary Sister Cities and Sister Cities International (SCI) Representative for Eastern North Carolina, in support of her application to serve on the Board of Directors of SCI. In my role as President of Raleigh Sister Cities, I have had the opportunity to work closely with Pam through regional collaboration and joint initiatives, and I can confidently speak to the quality of her leadership and her commitment to this work.

Pam is an effective, thoughtful, and highly dependable leader. In an all-volunteer organization, where competing priorities often challenge consistency, she stands out for her ability to follow through. She does what she says she will do, and she communicates with clarity and intention. This reliability has made her a trusted partner and a steady presence in our shared efforts across North Carolina.

Her leadership of Cary Sister Cities and SCI ENC Rep, reflects both strong operational skill and strategic vision. She has successfully navigated leadership transitions, strengthened organizational infrastructure, and implemented improvements that enhance efficiency and sustainability. At the same time, she has advanced meaningful programming, particularly in youth leadership development, building partnerships that expand access and recognition for students in her community.

Beyond her local impact, Pam approaches SCI work with a collaborative mindset. Our organizations in Raleigh, Cary, and Durham have benefited from her openness to partnership and her ability to move ideas into action. She understands the importance of relationships in this field and works actively to strengthen them.

Pam brings a valuable combination of analytical thinking, practical problem-solving, and mission-driven leadership. She is deeply committed to the principles of people-to-people diplomacy and understands how to translate that commitment into tangible outcomes. I believe she would be a strong and constructive voice on the Board of Directors, contributing both insight and action.

I recommend Pam without reservation and am confident she will serve Sister Cities International with integrity and impact. Please feel free to contact me if I can provide additional information.

Sincerely,

Mary Clare Freeman
