Dear Dr. Garrett,

I am pleased to recommend Kelley Eubanks as a candidate for the Sister Cities International Board of Directors. Kelley has demonstrated herself as an exemplary leader who shows high levels of professionalism and commitment in the roles she has held.

Kelley brings a combination of civic leadership, professional experience, and international engagement that aligns well with the mission of Sister Cities International. She has continued to demonstrate an understanding of the importance of fostering relationships between communities as a foundation for broader cooperation and mutual understanding.

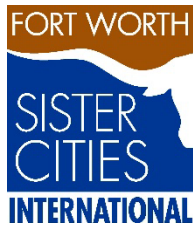

Her experience in infrastructure, economic development, and global engagement more than qualifies her for this role, and she excels in operating effectively across local, national, and international contexts. She has also been recognized for her international engagement, including an invitation from the U.S. Department of Commerce to participate in the 2017 Global Entrepreneurship Summit in Hyderabad, India.

I believe she would be an asset to the Sister Cities International Board and would serve the organization and its member cities well. I offer my support for her candidacy.

Sincerely,

Dear Dr. Garrett,

I am writing to offer my strong and enthusiastic support for Kelley Eubanks as a candidate for election to the Board of Directors of Sister Cities International.

Kelley's longstanding commitment to citizen diplomacy and her continued engagement in international exchange and civic initiatives make her an exceptional candidate for service at the national and international levels. She brings an outstanding combination of experience, energy, and authenticity that aligns perfectly with the mission of Sister Cities International.

Having served two terms on the board of Fort Worth Sister Cities International, and later as Chair of Sister Cities Arlington, Texas, where she led the organization through a period of expansion, Kelley worked to establish governance structures in support of long-term sustainability, demonstrating a keen understanding of the board's key role in creating thriving organizations.

Her outgoing and charismatic nature is one of Kelley's greatest assets, yet she also brings a perspective that is both practical and forward-looking. She has a natural ability to connect with people from diverse backgrounds, making her an outstanding ambassador for citizen diplomacy. Her professional experience in infrastructure, public-private partnerships, and economic development, combined with her civic leadership in Sister Cities, allows her to understand how international relationships can translate into meaningful outcomes for local communities. She approaches this work with clarity and discipline, and with a strong appreciation for the long-term nature of successful partnerships.

In addition, Kelley's direct experience with a wide range of exchange programs gives her valuable insight into the operational and strategic priorities of Sister Cities organizations. Through her involvement and support, she has contributed to the broader network via conference engagement and thought leadership. More recently, she participated in the City of Little Rock's delegation to Cape Coast, Ghana, supporting economic development discussions alongside the formal signing of the Friendship City agreement. This reflects her ongoing commitment to connecting cultural exchange with practical, community-based outcomes.

Given her experience and approach to this work, I believe Kelley is well-positioned to contribute meaningfully at the international level. She understands both the opportunities and challenges inherent in sustaining impactful exchanges and is well-positioned to contribute significantly to SCI's work.

I am confident that Kelley Eubanks will bring passion, perspective, and strong leadership to Sister Cities International. She would be a tremendous asset to your Board, and I wholeheartedly support her candidacy.

Thank you for your consideration.

Sincerely,

Dear Dr. Garrett,

I am pleased to offer my strong support for Kelley Eubanks' candidacy for the Sister Cities International Board of Directors.

I have become familiar with Kelley's work in both professional and civic contexts and have been impressed by her ability to navigate complex, multi-stakeholder environments with discipline and clarity. Her work reflects a strong understanding of how infrastructure, economic development, and public priorities intersect at the local and regional level.

Kelley served two terms as a Board Member of Fort Worth Sister Cities International and later as Chair of Sister Cities Arlington, Texas. During her tenure in Arlington, she led the organization through a period of expansion and worked to establish governance structures to support long-term sustainability. In this capacity, she supported the City's international engagement efforts, including traveling with the delegation for the formal signing ceremony of Arlington's Friendship Agreement with Rothenburg ob der Tauber, Germany.

She has remained connected to Fort Worth Sister Cities through participation in programming and ongoing philanthropic support. In addition, she has contributed to international conferences as both a panelist and facilitator, reflecting her continued interest in advancing global engagement.

Kelley brings a practical and thoughtful approach to partnership-building. She understands that meaningful outcomes require both strong relationships and sound execution, and she has demonstrated an ability to connect community priorities with broader opportunities. I believe Kelley would be a valuable addition to the Sister Cities International Board and would serve the organization and its member cities with integrity and purpose. I strongly support her candidacy.

Sincerely,
